What is NAHA

The National Association for Holistic Aromatherapy is an educational, nonprofit organization dedicated to enhancing public awareness of the benefits of true aromatherapy. NAHA is actively involved with promoting and elevating academic standards in aromatherapy education and practice for the profession. NAHA is also actively involved in furthering the public's perception and knowledge of true aromatherapy and its safe and effective application in everyday life.

NAHA's Mission

NAHA mission is to revive the knowledge of the medicinal use of aromatic plants and essential oils to its fullest extent and to restore aromatherapy to a truly holistic professional art and science.

NAHA's Vision

NAHA will be the leader in promoting and elevating true aromatherapy through the active dissemination of educational material to the general public, trade/professional associations, business owners and practitioners.
